

# *Software Developer*

## *Job Specification*

<b>Location:</b>	Tamworth, West Midlands
<b>Job Type:</b>	Permanent
<b>Salary:</b>	£22,000 - £28,000 starting salary (dependent on experience)
<b>Benefits:</b>	Company pension contribution of 5%, health care, travel insurance, bonus and share schemes.

Aspire Consulting Limited are a specialist engineering and technology consultancy based in the West Midlands. Due to the growth of our software business area we are looking to recruit an experienced software developer to join the team.

In this role you will be working on a variety of projects, both for external customers and internal capability development.

The candidate should have a minimum of two years' commercial experience with (in order of priority):

- C#
- SQL Server
- VB.NET

Experience with the following would also be advantageous (in order of priority):

- JavaScript
- XML/XSLT
- Android
- iOS
- SharePoint
- HTML/CSS

The candidate will be expected to work to technical specifications provided by the development team, but also to contribute creatively to the design and development process. Along with technical skills, we expect the candidate to have strong team and collaborative skills, a flair for problem solving and excellent communication and presentation abilities. Some travel to customer sites (predominantly UK) will be required.

In return, we can offer a salary of up to £28,000 pa based on experience, along with generous annual leave, pensions, private health and travel insurance, bonus schemes and flexible working arrangements.

For further details and to apply for this role, please send your CV to [info@aspirecl.com](mailto:info@aspirecl.com)
